WORTHING CREMATORIUM

Worthing Crematorium is ideally situated just 5.5 miles from the centre of Worthing on a secluded 42 acre country estate, 9.5 acres of which have been developed as Gardens of Remembrance.

As only a small part has been developed the remainder is original woodland which enhance the tranquil atmosphere of the grounds. Vibrant swathes of daffodils and other wild flowers appear during the spring and a wide variety of birds and animals visit the area year round.
